### **METKA: FOUNDATION OF SUBSIDIARY IN TURKEY**

METKA announces the foundation of a new company named **Power Projects Sanayi Insaat Ticaret Limited Sirketi, based in Istanbul. The new company, which is a 100% owned subsidiary of the METKA Group**, is part of METKA's strategy of expanding its activities abroad, and especially in the developing market of Turkey, as it will contribute to the strengthening of METKA's presence in the neighbouring market and the potential undertaking of new projects.

METKA continues its successful transition from an EPC contractor of local range, to one of the main players of the international EPC sector and its establishment as one of the biggest exporting and extrovert companies of the Greek economy.
