

**Draft resolution of the Extraordinary General Meeting**  
of the Shareholders of the Société Anonyme  
**MYTILINEOS S.A.**  
**General Commercial Register (GEMI) No.: 000757001000**  
**(the "Company")**  
**of 27.03.2024**

**Sole Item:** Renewal of approval and terms for acquisition of own shares.

The chairman of the extraordinary general meetings referred to the Extraordinary General Meetings of shareholders' resolutions dated 23.03.2022 and 10.04.2023, by virtue of which the conditions for the acquisition of own shares were approved for a period of twenty-four (24) months, i.e. from 23.03.2022 until 22.03.2024, with maximum number of Company shares to be bought 14,289,116 (up to 10% of the share capital), minimum price €0.97 per share and maximum price €40 per share. The own shares that the Company holds at any given time (including the own shares that the Company has already acquired and holds) are intended for any purpose and use permitted by and in compliance with the law (including, indicatively but without limitation, reduction of share capital and cancellation, or/and distribution to personnel or/and members of the management of the Company or/and of any affiliated company).

In this context, the Company currently holds [4,771,164] own shares, representing [3.3390%] of the Company's share capital<sup>1</sup>.

Taking into account the current conditions of the Greek stock market and the positive prospects of the Company, which create an expectation for a further rise in the share price and justify the continuation of the Company's acquisition of its own shares, it is proposed to renew the approval for the acquisition of own shares for an additional twenty-four (24) months period, according to the following terms:

The Company may acquire own shares and the total nominal value of the acquired shares (including the shares that the Company has already acquired and holds) shall not exceed 10% of the Company's paid up share capital, i.e. a total of up to 14,289,116 (142,891,161 X 10%) shares. The new purchases, up to completion of 10% of the Company's paid up share capital, will be effected within a price range between €0.97 (minimum price) and €50 (maximum price) per share, for a period of 24 months as of the date of this shareholders' extraordinary general meeting resolution. During acquisitions of the own shares, the Company's financial capability, its medium-term liquidity needs, and the applicable leverage ratios must be taken into account; furthermore, the applicable legal and regulatory framework must be respected.

The own shares that the Company holds at any given time (including the own shares that the Company has already acquired and holds) are intended for any purpose and use permitted by and in compliance with the law (including, indicatively but without limitation, reduction of share capital and cancellation, or/and distribution to personnel or/and members of the management of the Company or/and of any affiliated company).

Further, it is proposed to authorize the board of directors of the Company to proceed to every necessary action for the implementation of this resolution,
